

Q: Where do I go to find the most current and reliable information during COVID-19?

A: The Government of Newfoundland and Labrador Department of Health and Community Services website contains up to date information related to COVID-19 and the declared public health emergency. It is available at <https://www.gov.nl.ca/covid-19/>

The Public Health Agency of Canada (PHAC) provides information for health professionals and the public related to risks, prevention, treatment and management of human diseases and illnesses. Visit the Public Health Agency of Canada COVID-19 website and their link for health professionals. PHAC is available [here](#).

The World Health Organization is available at <https://www.who.int/> .

You may also consider connecting with national affiliations and special interest groups for practice area specific information.
