

YOU ARE INVITED TO...

HARM REDUCTION APPROACHES IN HEALTHCARE: AN ETHICAL WAY FORWARD

This event is a collaboration between Provincial Health Ethics Network of NL, NL Centre on Substance Use, Aids Committee of NL and Memorial University Centre for Bioethics.

FEATURING GUY FELICELLA

Guy Felicella is a Peer Clinical Advisor with the British Columbia Centre on Substance Use and Vancouver Coastal Health. He is an activist, speaker, and public health consultant. He delivers inspirational talks on overcoming homelessness, addiction, and the effects of trauma and mental health challenges. Through personal stories, he champions resilience, advocates for changing biases toward those marginalized by addiction, and emphasizes the transformative power of human connection.

Tuesday, October 8th

AFTERNOON EVENT

1:30 p.m. – 3:30 p.m.

Health Sciences Auditorium

300 Prince Philip Drive, or via Zoom
Visitor parking is available at the Health
Science Centre.

Harm Reduction, Service Delivery, and Health Ethics: How they intersect

This session will examine de-identified case studies through an ethical lens. Guy Felicella will be present to continue to offer expertise as well as representatives from acute care and community partner organizations on how to best help clients who use substances along the continuum of care.
