LICENSED PRACTICAL NURSES
OF NEWFOUNDLAND AND LABRADOR

Temporary Licensure Pathways

(i) New Graduates:

Note: Graduates of a Newfoundland and Labrador Practical Nursing Program must obtain a license to practice as an LPN prior to beginning work as an LPN.

Graduates may:

- a. Obtain a **Temporary License** upon successful completion of an approved PN program prior to writing the registration exam (CPNRE); or,
- b. Obtain **Initial Licensure** after successful completion of the registration exam (CPNRE).

Information related to the Canadian Practical Nurse Registration Exam (CPNRE) can be found in [section D](#).

a. TEMPORARY LICENSURE

Graduates of a Newfoundland and Labrador Practical Nursing Program may apply for temporary licensure upon completion of their program. - Pay the temporary licensure fee (See [Registration and Services Fees Policy](#))
- Submit:
